Intelligence Management For Professionals
It is paramount for successful strategy implementation to realise that strategy execution requires resources, time and money. Therefore, each initiative has a start and an end date, an owner, who is accountable for the execution of the strategic initiative and a budget. Progress and expenditure must be monitored on a regular basis.

~~The Secrets to Successful Strategy Execution~~

The first step in improving project-oriented strategy execution is to capture and organize all projects—strategy projects in particular—that are underway in throughout an organization. Step 6: Align strategy projects. Once projects are captured they must then be aligned to the strategies or goals for the organization.
