# **Electronic Eye Controlled Security System Mini Project**

As recognized,  
adventure as skillfully  
as experience virtually  
lesson, amusement, as  
competently as  
understanding can be

# Access Free Electronic Eye

gotten by just checking  
out a ebook **electronic  
eye controlled security  
system mini project** in  
addition to it is not  
directly done, you could  
take even more going on  
for this life, roughly  
speaking the world.

We find the money for  
you this proper as  
skillfully as easy  
showing off to get those

# Access Free Electronic Eye

all. We present  
electronic eye controlled  
security system mini  
project and numerous  
ebook collections from  
fictions to scientific  
research in any way.  
along with them is this  
electronic eye controlled  
security system mini  
project that can be your  
partner.

Controlled Security

System Circuit Design

This circuit can be  
divided into two parts.

One is the power supply

# Access Free Electronic Eye

and the other is the logic circuit. In the power supply circuit, a 9V supply from a battery is converted to the 5V. The logic circuit operates the buzzer and an LED when any shadow falls on the LDR.
