Applications are presented throughout the book. These applications can be used to motivate new material or to illustrate the relevance of material that has already been covered. The text contains all the topics recommended by the National Science Foundation (NSF) sponsored Linear Algebra Curriculum Study Group (LACSG) and much more.

Linear Algebra with Applications, 9/e
When i finally got it I had a test already and had to pay for the copies of the first chapter.. well, when it finally arrived I just realized that I ordered the wrong book. "elementary Algebra with Applications" instead "Elementary algebra" (so please check the ISBN number if you need this book).
