Your Elna Su electronic foot control has a small switch located on the front edge of the foot control. Use the correct thickness of thread for the fabric you have or use a better quality thread if the upper thread keeps breaking on your sewing machine. Bargain threads split causing the thread to knot and break.

The Elna Stella Air Electronic has an unusual foot control. Basically, it's an air pump that operates a diaphragm on an internal circuit board. You can see the board above. A few tests prove that all the components are working well. A close look at the Elna foot control 'pipe' and the fault is discovered. There should be a small valve on the end of this pipe. It's rather conspicuous by ...
