The expansion will also make the AI and the game overall tougher as the AI builds Guardians, gains deeds and buildings, while deadly neutral Guardians roam the countryside. You will have to revise many aspects of your strategy if you hope to take advantage of the new content and it is an overall quite enjoyable experience even without the higher competition of multiplayer.

Expansions are buildings that need to be placed in the physical space of the game world to be built,
rather than City Improvements, which are simply housed in the City Center. Different types of expansions
provide different benefits to the city their built in, such as improved FIDSI output, Strategic and
Luxury resources, or Vision over an area, and each type of expansion has certain rules on ...
