The past 50 years have shown that bringing down the heavy hand of the state on individuals, disproportionately people of color and disproportionately low-income, does not stop drug use.

End the War on Drugs

President Richard Nixon stepped to the podium and put words to a long-standing strategy, calling drug use America's "public enemy number one" and promising to "wage a new all-out offensive," framing ...

Let's finally end this misbegotten war: The war on drugs is a half-century-long mistake with massive casualties

The agreement to end a 17-year-long trade war over commercial planes is a necessary step in the face-off against China's Comac.

The End of the Boeing-Airbus Spat Begins the Aviation Battle With China

Harsh policies have disproportionately hurt minorities for 50 years. Drug use and addiction are public health issues and should be treated that way.

Nixon's war on drugs has failed for half a century. It's time to end it: Alexander Soros
