In the book Every Patient Tells a Story an astonishing disease was discussed. This is the Lyme disease. This disease was experienced by one of the characters in the book, Carol Ann DeVries. Carol Ann was diagnosed with it in an emergency room and was not well informed about her disease and what it would be like to live with it.

Every Patient Tells a Story

Every patient tells a story by Lisa Sanders MD. The tv series House was based on her weekly columns. The book is about how doctors go about the process of diagnosing patients, the errors they make and the biases that affect their diagnoses.

Every Patient Tells a Story: Medical Mysteries and the Art ...

Class of 2018 When I first picked up Every Patient Tells a Story in the library, I expected a rather one-dimensional anthology of medical cases told from the patient's perspective. The book certainly offered medical cases, but was also an incredibly balanced and engaging read that left me wanting more.
