Quotes by Andrew
Cohen

What Is
Evolutionary
Enlightenment?

“Evolutionary
enlightenment is
about the
ecstasy that
compels us to
create the
future. And it's

Where To Download

not a future
that's going to
unfold by itself
while we go back
to sleep. It's a
future that we
forge the hard
way through
direct,
conscious,
intentional
engagement with
the life-process
itself."
