This paper argues that mandatory, government-enforced vaccination can be justified even within a libertarian political framework. If so, this implies that the case for mandatory vaccination is very strong indeed as it can be justified even within a framework that, at first glance, loads the philosophical dice against that conclusion. I argue that people who refuse vaccinations violate the ...

Our study is motivated by calls for “ mandatory auditor rotation, ” which are based on concerns that longer auditor tenure reduces earnings quality. Multivariate results, controlling for firm age, size, industry growth, cash flows, auditor type (Big N versus non Big N), industry, and year, generally suggest higher earnings quality with longer auditor tenure.
