Explain your role as facilitator - a person whose role it is to remain neutral or objective, to keep the discussion focused and energized and to create an environment for all to have a chance to participate. This does not mean that you are neutral and have no opinions, but as a facilitator you need to play an objective role.

The example below is mocked up with dummy text in it, but gives you a sense of how the facilitator guide looked for some sessions I was delivering. From my point of view there wasn't a lot of detail for specific activities and it was fairly out of date from what was actually delivered, so i had to make lots of notes when shadowing the trainer.
