It's a classic Rohinton Mistry, nobody expects the man to paint happy little rainbows, but melancholia seeps through the pages of Family Matters. In some ways, it's reminiscent of A Fine Balance, the manner in which characters are affected by events larger than themselves, but manage to trudge along until Mistry decides, in one fell swoop, to unleash all the horrors of hell upon them.

Family Matters by Rohinton Mistry - Goodreads

The story revolves around a Parsi family in Bombay which struggles to make ends meet. Matters are made worse when the grandfather falls ill first from a walking accident and later from Parkinsons. The story follows his life and that of his family and their struggle to care for him whilst making sacrifices themselves.
