“ Naturally the villagers blamed bears. No one had ever seen a bear in Gavaldon, but this made them more determined to find one. Four years later, when two more children vanished, the villagers admitted they should have been more specific and declared black bears the culprit, bears so black they blended with the night.

“ The fate of bears in many areas of the world will be decided in the next 10-20 years. The future of several species is in serious doubt. The elimination of bears from 50-75 percent of their historic range has already occurred and the remaining range will decrease unless serious efforts are focused on bear conservation. ” – Dr. Chris Servheen
