Just as importantly, Fascism  
Today shows how they can be  
fought and beaten. It  
highlights groups that have  
successfully opposed these  
twisted forces and outlines  
the elements needed to build  
powerful mass movements to  
confront the

While Fascism promises to protect workers, studies show how Workers' conditions worsened severely during fascist times, something that can also be seen in the strong ultraliberal component most of the 'new far right', and of the dubious democratic credentials of of neoliberalism, devoid of the philosophical background of political liberalism. Nationalism gives the two great enemies behind the woes of people: Europe, and immigrants.

**Fascism Today** looks at the changing world of the far right in Donald Trump's America. Examining the modern fascist movement's various strains, Shane Burley has written an accessible primer about what its adherents believe, how they organize, and what future they have in the United States. The ascension of Trump has introduced a whole new vocabulary into our political lexicon—white nationalism, race realism, Identitarianism, and a slew of others.

It is a mass movement, with its leaders employing a great deal of socialist demagogy. This is necessary for the creation of the mass movement. The genuine basis (for fascism) is the petty bourgeoisie. In Italy, it has a very large base -- the petty bourgeoisie of the towns and cities, and the peasantry.
