This text introduces students to both feminism and other social and political theories via an examination of the inter-relationship between different feminist positions and key contemporary debates. The book takes each debate in turn, outlines the main themes, discusses different feminist responses and evaluates the implications for real life political and social issues.

### ~~Feminist Social and Political Theory: Contemporary Debates ...~~

Feminist political theory is a diverse subfield of feminist theory working towards three main goals: To understand and critique the role of gender in how political theory is conventionally construed. To re-frame and re-articulate conventional political theory in light of feminist issues. To support political science presuming and pursuing gender equality. Feminist political theory encompasses a broad scope of approaches. It overlaps with related areas including feminist jurisprudence/feminist le

### ~~Feminist political theory - Wikipedia~~

Feminist theory has been at the forefront of new directions in political, social, and cultural theory. These developments are inherently indebted to the internal critique within feminism made by "women of color" who have been pivotal in raising questions of "difference" around such social axes as class, racism, ethnicity, sexuality, and the problematic of global inequities.

### ~~PHIL 480, Recent Feminist Social and Political Theory~~

In Political Theory and Feminist Social Criticism Brooke Ackerly demonstrates the shortcomings of contemporary deliberative democratic theory, relativism and essentialism for guiding the practice of social criticism in the real, imperfect world.

### ~~Political Theory and Feminist Social Criticism ...~~

Feminist social theory has influenced and been influenced by the agendas and struggles of each of these waves. "First-wave" theorists like Mary Wollstonecraft and Susan B. Anthony were influential for their focus on how women's lack of legal rights contributed to their social demotion, exclusion, and suffering.

### ~~Feminist Social Theory - New Connections to Classical and ...~~

Feminist political philosophy is an area of philosophy that is in part focused on understanding and critiquing the way political philosophy is usually construed"often without any attention to feminist concerns"and on articulating how political theory might be reconstructed in a way that advances feminist concerns.

### ~~Feminist Political Philosophy (Stanford Encyclopedia of ...~~

Feminist theory is a major branch within sociology that shifts its assumptions, analytic lens, and topical focus away from the male viewpoint and experience toward that of women. In doing so, feminist theory shines a light on social problems, trends, and issues that are otherwise overlooked or misidentified by the historically dominant male perspective within social theory .

### ~~Feminist Theory: Definition and Discussion~~

Feminism, the belief in social, economic, and political equality of the sexes. Although largely originating in the West, feminism is manifested worldwide and is represented by various institutions committed to activity on behalf of women's rights and interests.

### ~~feminism | Definition, History, & Examples | Britannica~~

Feminist theory aims to understand gender inequality and focuses on gender politics, power relations, and sexuality. While providing a critique of these social and political relations, much of feminist theory also focuses on the promotion of women's rights and interests.

### ~~Political Theory and Feminist Social Criticism ...~~

Feminist political theory is a recently emerging field in political science focusing on gender and feminist themes within the state, institutions and policies. It questions the "modern political theory, dominated by universalistic liberalist thought, which claims indifference to gender or other identity differences and has therefore taken its time to open up to such concerns".
