Why you'd want a Ferrari Mondial. Four-seater mid-engined coupés are rare enough, but there has only ever been one production four-seater soft-top middle. So don't grumble about the rear-seat space in the Mondial, because it's unique – in convertible form at least. The original 1980 Pininfarina-styled Mondial 8 appears in lists of the world's worst cars, due to its poor (for a Ferrari) power-to-weight ratio and complex, unreliable electronics.

Mondial was the first Ferrari design where the entire power train and rear suspension assemblies were mounted on a detachable steel subframe (check for rust) to enable easier maintenance, although dropping it is still a major job at home. The engine is quite robust if serviced properly, although many Mondials won't have had that luxury.
