Fight to Live The second in the series, this book is just as good as the first one. I couldn't stop listening! It is about 2 weeks after the virus killed everyone. Nick and his new family are making a nice home at the cabin but the bad guys are relentless. New people come into the makeshift family. I am hoping there are more to this series! Andrew Tell again did a great job narrating.

Available as a Kindle Edition. Click icon below... Summary. Examines US foreign and domestic policy through the narratives of post-9/11 US military veterans and the activism they are engaged in. While veterans are often cast as a "problem" for society, Fight to Live, Live to Fight challenges this view by focusing on the progressive, positive, and productive activism that veterans engage in. Benjamin Schrader weaves his own experiences as a former member of the American military and then ...
