Fighting Back: What Governments Can Do about Terrorism by ...

Since terrorism became a global national security issue in the new millennium, all governments have wrestled with its effects. Yet strong measures against terrorism have often made the root causes of the problem worse, while weak responses have invited further attack. In response, this book explains how governments can construct and execute the most effective strategies to combat terrorism ...

Fighting Back: What Governments Can Do About Terrorism ...

The book's value lies in its holistic treatment of what governments can do to protect their societies, with the ultimate goal of reducing terrorism from the global security threat it is today to a national-level criminal problem.

Fighting Back: What Governments Can Do about Terrorism ...

Paul Shemella, ed., Fighting Back: What Governments Can Do About Terrorism (Stanford University Press, 2011). The attacks of 9/11 resulted in an inevitable landslide of literature on terrorism. Some of it was good, much of it was not - but all of it tried to respond to the initial and seemingly insatiable appetite for information on terrorists.
