First Grade Math Journal Template

Math Journals For First Grade. At the beginning of the school year I shared a post on how to get students started on math journals. I am hoping you have tried getting your feet wet with journals or maybe you have been rocking it out and are just checking for a new idea or two! I began using math journals as a part of my guided math rotations three years ago mid-year! It was such a great ...

I did math journals with my first grade class this year and my students and I loved it. I am looping up to 2nd with my class for the 1617 school year and have been shopping around for materials to purchase. I have yet to find what I want, but then I happened upon your site! It would be a great review and many students didn't get it the first time around. If you could share I would be grateful ...

Miss Van Maren's Fantastic First Grade: Math Journal ...

My first motivation was to redesign my old math journal templates from years ago. I enjoy teaching with journals of all types. But, I have to say, that I never thought I would enjoy math journals as much as I actually do. It allows students to become mathematical thinkers and reasoners. They have to reflect on their problem solving process and learn how to communicate their ideas. My school ...

Teaching 1st grade for the first time, I was using whole-group math with a single math center at the end of our math block. Then over Winter Break, our team felt like something wasn't working. While our students were growing in math, it was definitely not at the same rate of their reading growth. So, we started to compare the 2 blocks. For reading, we use a
