~~A Very Short Introduction to.. Classical
Architecture~~ Five Orders Of
Architecture

The book tackles the five orders, Tuscan, Doric, Ionic, Corinthian, and composite in separate sections, each subdivided in five parts on the colonnade, arcade, arcade with pedestal, individual pedestals, and entablatures and capitals. Following those 25 sections were some less related parts on cornices and other elements. Written during the 1550s, it was published in 1562, and was soon considered the most practical work for the application of the five orders.
