What Is A Real Estate Wholesale Contract? A real estate wholesale contract is a legal document between a real estate wholesaler and a seller, essentially giving the investor the right to buy the property. As a wholesaler, you are essentially setting up the game for others to play. Your job as the middleman is to locate a potential deal, secure the rights (much how a real estate agent would), and then assign the contract to a real estate investor.

Understanding The Wholesale Real Estate Contract ...

Wholesaling real estate is when a real estate wholesaler puts a distressed home under contract with the intent to assign that contract to another buyer. The wholesaler doesn't plan on fixing up or selling the property. Instead, they market the home to potential buyers for a higher price than they have the property under contract for.
