Folklore & Folk Tales - Children's Literature Genres ...
Folk literature, also called folklore or oral tradition, the lore (traditional knowledge and beliefs) of cultures having no written language. It is transmitted by word of mouth and consists, as does written literature, of both prose and verse narratives, poems and songs, myths, dramas, rituals, proverbs, riddles, and the like.Nearly all known peoples, now or in the past, have produced it.

Folk literature | Britannica
Author, title, and subject indexes make material on particular topics easy to locate within the three main sections: Literature, Education, Psychology. Should be of great value to educators, psychologists, historians and all scholars who are concerned with folk literature and its influence, especially its effect on the young."-Choice

Folk Literature and Children: An Annotated Bibliography of ...
As a result, folktales make it easier for children to differentiate characters, follow a plotline or recall a sequence of events. Not surprisingly, working with folktales can also help children develop the critical reading skills of phonics, fluency, vocabulary and comprehension needed to meet the requirements defined in the Common Core Standards for Reading.

Folk literature - Folk literature - Characteristics of folk literature: The most obvious characteristic of folk literature is its orality. In spite of certain borderline cases, it normally stands in direct contrast to written literature. The latter exists in manuscripts and books and may be preserved exactly as the author or authors left it, even though this may have happened centuries or even ...
