# Read Book Food And War In Twentieth Century Europe

The history of food and the mid 20th-century East Asian wars are thus poised to drag well into the 21st century. In this regard the book has more than succeeded in 'underscoring the potential that a focus on food can add to the historiography of war in the Pacific and the political, economic and social developments that directly preceded and followed it' (p. 6).

This collection examines the significance of food and hunger in Germany's turbulent twentieth century. Food-centered perspectives and experiences "from below" reveal the social, cultural and political consequences of three conflicts that defined the twentieth century: the First and Second World Wars and the ensuing global Cold War.
