Ford Ranger Workshop Manuals Car Manuals and Literature ...
Ranger is Ford's attempt in a crowded compact pickup truck, whose production spans for several decades and four generations. Throughout these years, it held a considerable market share and rack up respectable sales figures of over 7 million units sold. This story, just like many other things in the automotive industry, starts with a crisis. During the 70s, frequent conflicts in the Middle ...

Anyone know where I can get a workshop manual for a uk spec ranger? Haynes only seem to do one for the U.S. spec truck ,which strikes me as odd.I know it's basically the same as a Mazda b2500 but, again, the manuals all seem to be for U.S. spec vehicles (or is this near enough). any help would be greatly appreciated. Top.
