Yet Yung Vilne wasn't really atypical of Yiddish cultural movements. Even at its most progressive, most revolutionary, and most young, Yiddish culture has also been concerned with its past. The primary aim of Cahan and his cohort may have been political activism, but they wanted to do it in a traditional Jewish language.

**Forever Young** offers a wide-ranging survey of the notion of longevity, from antiquity to the present. The author looks at the many manifestations of one of humanity's most powerful dreams: the prolongation of life and youth with immortality as a final objective. Using a variety of sources — religion, folk traditions, science, literature and art — the book shows on the one hand the persistence of the human spirit (the desire for longevity is revealed as an extremely stable archetype ...
