you exchange U.S. dollars for euros, there are two currencies involved, so the exchange always shows the value of one currency relative to the other.

The EUR/USD price, for example, lets you know how many U.S. dollars (USD) it takes to buy one euro (EUR).

For active traders, the Forex market should be no different than other trading

products, such as equities, commodities, or fixed-income.

Forex offers traders a market where they can buy or sell a trading product. In this case, it is a specific currency pair.
