Abstract. This book provides a comprehensive comparative review of the common law doctrine of forum non conveniens as it is practiced and applied in the United Kingdom, the United States, Canada, and Australia. The authors catalogue the similarities and distinctions among the common law countries in which the doctrine is applied, and compare the doctrine to related procedures in civil law jurisdictions.

Forum non conveniens. Latin for "inconvenient forum" this common law doctrine allows a court to dismiss a civil action (even though the forum or venue is proper and the court has jurisdiction over the case and the parties) where an appropriate and more convenient alternative forum exists in which to try the action. In English law, the appropriate forum is the one in which the case may most suitably be tried in the interests of all the parties and the ends of justice.
