April 24, 2017 — Mariana Boules. Drawing on her personal experience as an early childhood educator, Mariana Boules of the Australian Catholic University emphasises the vital importance of building children's social competence at a young age, and discusses the extent to which well-developed social skills can contribute to a child's academic success. Social skills are essential for every child, especially from birth to the age of five, as they lay the foundation for future life success ...
