...

When I looked through the reading journal again, I found that I used a couple parts more readily than others — the lists (easy enough to add to a bullet journal) and the 3-per-page quick summaries. They were the perfect length for me — enough space to get the essentials down but small enough that I had to prioritize my notes.

## The MMD printable reading journal. – Modern Mrs Darcy

There are great reading journals on the market (this is my favorite), but ready-made journals lack flexibility. Blank books are nice, but some of you need a template to get started. We released the first version of our printable journal way back in 2015, and have just given it a much-needed update.
