From Rags cost me £1,  
and I can say  
unequivocally that it  
was the best value for  
money ever. This book,  
which I only realised  
when I got to the end,  
was self-published (and  
yes there were a few  
typos which an editor

but I read a lot of books;  
my iPad is packed with  
books that I've paid a  
hell of a lot of more  
money for and haven't  
enjoyed half as much..

was a really great story  
(I'd give it 4 1/2 stars).

I've read Suzanne's two  
books from the Phoenix

story is different from  
those 2 in the fact that  
there's no paranormal  
stuff in this story.
