No politician speaks more directly and with greater clarity than Lee Kuan Yew. "Third World to First World" is a great chronicle of his thought process, experiences and view of the world. It remains highly relevant today. A really great book.

because we already know it has a happy ending. Singapore, the city state that no one in 1965 expect to make it, did, and become what others have called a country "that punches above its weight". I have wanted to read this book when it was first published back in 2000. But it was constantly sold out.
