Beats me, the civil aircraft register says that it is a 2-33 and not a 2-33A as does the club that owns it. The spring tail wheel is a retrofit and can be put on any of them, so it doesn't tell you much. The aircraft are packed away for the winter and the airfield is under four feet of snow now, but if I get down there in the summer I'll check the dataplate. -
