2020 GAAP Guide - Wolters Kluwer

The original GAAP documents span thousands of pages, and so are difficult to research. The GAAP Guidebook solves this problem by condensing GAAP into a single volume. This book describes the key elements of each topic, how accounting information is disclosed, and where to look in the FASB Codification source documents for additional information. The text contains hundreds of practical examples that show how to apply GAAP to real-world situations, as well as sample journal entries and
