Summary & Analysis

Chapters 13 through 20 examine Gandhi ' s revolutionary theory of Satyagraha, or truth-force, a system of nonviolent civil disobedience that Gandhi believes suits the Indian culture of compassion and humility better than violence does and will help India rid itself of foreign influence. He asserts that violence harms the instigator as much as or more than it hurts the enemy and that nonviolent resistance, with its difficulties and sacrifice, ennobles both resister and opponent, who will ...

a capital T—which he identifies with God—by purifying himself through fasting, diet control, giving up sex, the study of religion, and other techniques. He sees ahimsa, or non-violence, as the means by which to find truth. It means more than just refraining from hurting people: it means loving all life on earth and seeking to do good for everyone, even those who oppose you.
