Amazon.com: Gender in History: Global Perspectives ...

Nevertheless, Gender in History reminds us that while women are always to be found fighting alongside men for political rights, freedoms, and justice through debates, boycotts, demonstrations, riots, guerrilla tactics, and warfare the resulting law codes and constitutions often fail to give them equal status to men. If they did, as following communist revolutions, they still did not give women's concerns high priority.

Gender in History | Reviews in History

Over the past two decades, considerations of gender have revolutionized the study of history. Yet most books on the subject remain narrowly focused on a specific time period or particular region of the world. Gender in History: A Global Perspective, 2nd Edition, continues to redress this inequity by providing a concise overview of the construction of gender in many world cultures over a period stretching from the Paleolithic era to modern times.
