[How to do it... - Go Standard Library Cookbook \[Book\]](#)

I think the way we may go, if we start this program, is to do a theme: Indian food, vegetarian, grilling, desserts. Then we don't have to worry about having so many copies of the same cookbook available, but rather could pull 5-10 cookbooks that fit each theme for people to select. [Marleah Augustine] I lead a Cookbook Club at my library.

Read more about how each class is further subdivided into subclasses, using a combination of letters and numbers. As with the Dewey Decimal System, the more numbers and letters contained in a call number, the more specific the classification is—and the easier it is to find or shelve the book. The LC call number "PS3537 A426 C3 1951," identifies the "Catcher in the Rye," by J. D ...
