The Grammatical Functions of Subjects "The most complex grammatical function is that of subject. Consider the example in (1). (1) The tigers hunt prey at night. Tigers precedes the verb. It agrees with the verb in number, as becomes clear when it is made singular: The tiger hunts its prey at night.In the active construction, it is never marked by any preposition.

Grammatical Function Definition and Examples

Grammatical functions in the clause. The description of word classes, phrases, and clauses in terms of their structure is part of the study of form . We now turn to the study of grammar from the perspective of function: this notion refers to what words, phrases and clauses do as units of language. Grammatical functions are the roles that different constituents (strings of words acting as units) play in clauses.

When teaching, it's best to mix language functions with grammar. Provide functional language as students are ready to learn. In the example above, using "I wish I could go to the party" will likely confuse lower level students. On the other hand, "I'd like to go to the party" or "I want to go to the party" is appropriate for lower level classes.
