Branding and marketing. It's all in the fine details in how you write your brand and product copy. Take the time to write your bio to give the market and your customers a sense of who you and your business are. Your copy should be concise, clear and detailed. Avoid too lengthy of copy. You want to ensure viewers take the time to read it and don't feel overwhelmed. If you sell or are looking to sell online, your first priority should be photography!
