HANDMADE ELECTRONIC MUSIC. Dear Reader: due to the impact of Covid 19 on Routledge's design team, their website for the brand new third edition of Handmade Electronic Music will not be ready in the time for the book release. Oh no oh no! I have stepped out of the hammock and into the breach, and I've hammered out a crude stopgap alternative ...

...

Ever since products such as GarageBand took over the low-level tasks of producing electronic music and turned us all into application users, much has been forgotten about making music with low-level electronic components. In the case of younger electronic musicians, this may be an art form they never even knew in the first place.
