Harvey the Baker is about real-life baking. The illustrations and words are thoughtful and pleasing to the eyes. I love reading it to my two year old granddaughter who tends to be serious. She examines every page as Harvey and his friend Chip go through the process step by step. It's also a valuable lesson in friendship and respect. It's a lovely book.

Harvey loves a good sponge cake, and today he has company. It's his friend Chip, who wants to congratulate Harvey on his birthday. This is a good reason to find the book of recipes and make a tasty sponge cake. Everything is available, sugar, eggs, butter, milk and flour. The batter is very tasty and the cake came out nice.
