The book health by purification gives a very good insight in the bio chemical processes that take place in the physical body, not only under physical stimuly. It goes on to also explain the input of the emotional and mental aspect that also does trigger certain chemical reaction through thoughts and emotions.

Amazon.com: Customer reviews: Health by purification

Health and purification: base treatment. The concept of Peter Jentschura's cleansing and regenerating cure is based on three commandments of human health: "Avoid the harmful! Eat, drink and do useful things! Avoid the harmful!" Due to our way of life, our organism today is almost always acid surplus. The result is the formation and deposition ...
