HEATHKIT MANUALS – VINTAGE BOOKS Written By: Izzy Weird Visit our “stacks”, a collection of scans of old radio and electronics books and manuals, free to download. These scans were made by many different people, and they deserve our thanks for this effort.

HEATHKIT MANUALS – VINTAGE BOOKS

We print replacement manuals in our current covers that we use in all our new kits. Our manual covers are Heath green now (not yellow, or yellow and black, or gray and blue). We coil-bind them so they lay flat, and we print them on high recycled content acid-free paper so they'll live as long as a Heathkit. Which seems to be practically forever.
