Medieval History, also known as post-classical history, is said to have begun around 500 AD, following the major cultural and religious upheaval that was common around this time. The Modern Period covers the age of extra-continental expansions (like the exploration and colonization of Asia and North America by the Europeans) to the present day.

Ancient history refers to the time period in which scientists have found the earliest remains of human activity, approximately 6,000 BC. It ends with the fall of several significant empires, such as the Western Roman Empire in the Mediterranean, the Han Dynasty in China, and the Gupta Empire in India, collectively around 650 CE.. The Bronze Age is the time period in which humans around the ...
