History and Historians (A Historiographical Introduction ...

Mark Gilderhus's book History and historians : a historiographical introduction is exactly what it says, an introduction to the history of the study of history. The book focuses on historians and what they thought constituted history. Gilderhus discuss' many of the usual suspects, Herodotus, Thucydides, and others but there were a few unfamiliar names tossed in. There is very little discussion of the schools of historical thought but that is understandable in a work this short.
