Moodle: HNC Nautical Science

This is an excellent science course which prepares you to progress further in a science career. It is designed to allow you to progress in Further Education, onto HND: Applied Biological Sciences at Fife College, or to a university degree. Alternatively, the curriculum will provide the theoretical knowledge and the laboratory skills needed to enter employment.

Applied Sciences (with Biology) - HNC SCQF Level 7

To apply for a HND in nautical science, you must undertake a three year deck officer cadet training programme approved by the Merchant Navy Training Board (MNTB), and meet the academic entry requirements as stated. The next step is to find a company to sponsor you so you can complete the sea service elements of the training programme.

Deck cadet foundation HND | Deck training | Warsash Maritime

The HNC Nautical Science programme is delivered across 2 semesters. There are three different entry points to the programme, September, January and May, which will result in cohorts starting and completing the programme at different points throughout the year, however the 2 semester approach is always applied.
