~~Housework Wages, And The Ideology Of Women In Antecellum ...~~

The International Wages for Housework Campaign (IWFHC) is a grassroots women's network campaigning for recognition and payment for all caring work, in the home and outside. It was started in 1972 by Selma James who first put forward the demand for wages for housework at the third National Women's Liberation Conference in Manchester, England. The IWFHC state that they begin with

4. Wages Against Housework enormous. To view wages for housework as a thing rather than a perspective is to detach the end result of our struggle from the struggle itself and to miss its significance in demystifying and subverting the role to which women have been confined in capitalist society. When we view wages for housework in this reductive
