Verses 41-45 is a prophecy about the remnant of the "iron" from the legs that will be present in the "feet" and "ten toes" during the last days. The ten toes will be composed of iron and "potters clay" and they are prophesied to not cleave together very well. These ten toes of mixed iron and clay will compose a final world power that will govern the earth before it is destroyed and replaced by a new kingdom which will be installed by "the God of heaven."
