To remove an instant message: On mobile: Tap and hold the message, then select Remove. On desktop: Right-click the message and select Remove. Note: If you remove an instant message that you sent, it's removed for everyone in a chat and nobody will see it in that chat. You can only remove an instant message that you've sent, you can't remove an instant message someone else has sent in a chat.

How do I remove an instant message or delete a chat in ...

Gently wash the penis with warm water each day when you're having a shower or bath. If you have a foreskin, pull it back gently and wash underneath. If you don't wash underneath the foreskin correctly, a cheesy-looking substance called smegma may begin to gather. Smegma is a natural lubricant that keeps the penis moist.
