4 Ways to Have Good Mental Health - wikiHow

In order to become a good communicator, you must be a conversationalist at the most basic level. This means you need to have a plan to navigate surface-level interactions. Learn small talk by using the match, shift, and pass back formula. Match the stride of what the other person is saying. For example, you're standing in a long line and the person in front of you turns and says "I sure hope we aren't waiting long."
