Talking With Teens -- Tips for Better Communication

Given that feigning indifference and refusing to engage in polite conversation is typical during the teen years, how can you effectively communicate with your kids so they will hear you? Here's one way to deal with your teen's lack of listening skills: act as if they hear you. If you know your child has no hearing deficiency and does not currently have ear phones on, and you are speaking clearly in a language she also speaks, assume she can hear you.

My teenager is always on their phone | Relate

I wanted to talk to my students about bullying in a new way, so I started with this PSA from Burger King. I know. I was surprised too. The public service ad was produced by Burger King with the help of NoBully.org in 2017, and it's a great teaching tool. The emotional three-minute video shows real customers in a Burger King watching on as a high school junior is bullied.
