30+ Human Resource Strategy Formulation Implementation And ...

Strategy formulation refers to the process of choosing the most appropriate course of action for the realization of organizational goals and objectives and thereby achieving the organizational vision. The process of strategy formulation basically involves six main steps.

Steps in Strategy Formulation Process

Certain key steps in HR strategy formulation are worth recollecting in this context. • Be clear whether the HR strategy is meant for corporate, unit or functional level strategies. The decision is simple in as much as the same HR strategy shall be relevant for any level strategy. • The next step is to identify the trends in the environment.

Strategic Management – Role of HRM

If strategy formulation tackles the " what " and " why " of the activities of the organization, strategy implementation is all about " how " the activities will be carried out, " who " will perform them, " when " and how often will they be performed, and " where " will the activities be conducted.
